Introduced by Sen. MAYER -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to requiring camps and youth sports programs to establish an automated external defibrillator implementation plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section  
2 3000-f to read as follows:

3 § 3000-f. Automated external defibrillator; camps and youth sports  
4 programs. 1. Definitions. As used in this section, unless the context  
5 clearly requires otherwise, the following terms have the following mean-  
6 ings:

7 (a) "Automated external defibrillator" means a medical device,  
8 approved by the United States food and drug administration, that: (i) is  
9 capable of recognizing the presence or absence in a patient of ventricu-  
10 lar fibrillation and rapid ventricular tachycardia; (ii) is capable of  
11 determining, without intervention by an operator, whether defibrillation  
12 should be performed on a patient; (iii) upon determining that defibril-  
13 lation should be performed, automatically charges and requests delivery  
14 of an electrical impulse to a patient's heart; and (iv) then, upon  
15 action by an operator, delivers an appropriate electrical impulse to a  
16 patient's heart to perform defibrillation.

17 (b) "Training course" means a course approved by a nationally-recog-  
18 nized organization or the state emergency medical services council in  
19 the operation of automated external defibrillators.

20 (c) "Nationally-recognized organization" means a national organization  
21 approved by the department for the purpose of training people in use of  
22 an automated external defibrillator.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD02973-07-3

1 (d) "Camp" means a children's overnight camp, summer day camp, or  
2 traveling summer day camp as such terms are defined in section thirteen  
3 hundred ninety-two of this chapter.

4 (e) "Youth sports program" means any league or recreation program  
5 organized to provide group athletic activity to individuals under seven-  
6 teen years old or programs providing athletic activity for high school  
7 students regardless of the age of the participants of such programs.  
8 Public school athletic programs subject to the requirements of section  
9 nine hundred seventeen of the education law shall not be subject to the  
10 requirements of this section.

11 2. Within one hundred eighty days of the effective date of this  
12 section, a camp or youth sports program shall establish and submit to  
13 the department of health an automated external defibrillator implementa-  
14 tion plan describing how the camp or program will:

15 (a) make available an automated external defibrillator at every camp,  
16 game and practice; and

17 (b) ensure that there is at least one employee, volunteer, coach,  
18 umpire or other qualified adult who is present at each such camp, game  
19 and practice who has successfully completed a training course within the  
20 preceding twenty-four months of each such camp session, game and prac-  
21 tice.

22 (c) Each camp and youth sports program shall include in their plan  
23 details for maintaining records that such camp or youth sports program  
24 possesses a sufficient number of automated external defibrillators to  
25 meet the requirements of paragraphs (a) and (b) of this subdivision.

26 (d) Implementation plans shall include an equipment checklist and  
27 cardiac emergency protocol for when cardiac emergency incidents occur.

28 3. Implementation of automated external defibrillator plans shall be  
29 done in accordance with the requirements and protections of section  
30 3000-b of this article.

31 § 2. This act shall take effect immediately.
